

# Simply Beautiful

Sponsored By  
Genesee Cancer Assistance, Inc.

**Simply Beautiful** is a free monthly program designed to help patients with cancer deal with hair loss and skin changes. Our program provides helpful ideas for makeup application and skin care needs due to treatment. Our stylists will assist you using makeup that is suited for your skin tone. They will offer suggestions and you will be given a complimentary bag of makeup and skin care products to take home. During the session catalogs will be available for you to browse through and we will help you choose a wig if you need one. We will show you how to properly care for your wig and schedule an individualized appointment to style it for you. A demonstration will also be given on alternatives to wearing a wig such as turbans, scarves or hats.

Our staff has many years of experience working with cancer patients. They volunteer their time to do this program at no expense to you. The stylists are licensed and have completed training for working with wigs, make up and skin care. The program lasts approximately two hours and when finished, you are **Simply Beautiful!**

\*All applicants to Genesee Cancer Assistance Inc. are eligible to participate. This program is offered in addition to the financial assistance and other services that we offer. *Pre-registration* is required. Please register by completing the bottom section of this page and return it with your application. You may also call our office at (585) 345-0417 if you would like more information. The office is open from 9am-1pm Monday-Friday. You may also leave a message and your call will be returned.
